by adding the following new section immediately preceding the last section and by renumbering the subsequent section accordingly:

SECTION _____. Tennessee Code Annotated, Section 49-6-705, is amended by adding the following language as a new, appropriately designated subsection:

() The department of education, with the advice and assistance and in partnership with the Tennessee higher education commission and the Tennessee student assistance, shall provide a web portal through which students participating in the pilot after school programs, and other Tennessee students in grades eight through twelve (8-12), may access a test preparation module that includes, but is not limited to, tutorials and practice sessions linked to college preparatory tests such as the ACT and SAT, sample tests, and a vocabulary builder to broaden verbal skills together with a coaching system that monitors student performance and a career planning module that includes, but is not limited to, career self assessment and career matching assistance which matches career descriptions with appropriate academic programs and Tennessee colleges offering such academic programs.
